This guide outlines all the requirements and options to plan your special day with us.

1. Initial Consultation and Booking Requirements

1.1. Initial Consultation

The first step in planning your wedding at Coral Cloud Resorts is to schedule an initial consultation with one of our wedding coordinators. During this consultation, you will:

- **Tour the Resort and Venues:** You will have the opportunity to tour our wedding venues and discuss your vision for the ceremony and reception.
- **Discuss Available Packages:** We will present our standard wedding packages, each designed to cater to a variety of preferences and budgets, or explore the option of a customized wedding package.
- **Review Availability:** Based on your preferred wedding date, our coordinator will check venue availability and provide information on potential alternative dates, if necessary.

1.2. Booking Confirmation

To reserve your wedding date and venue, a **non-refundable deposit** is required. This deposit will be applied toward the total cost of your wedding package. Once the deposit is received, your wedding date will be officially secured.

- **Deposit Amount:** Typically 25% of the total wedding package.
 - **Payment Plans:** Flexible payment plans can be arranged, allowing you to make incremental payments leading up to your wedding day.
